LEGAL NOTICE
Notice of Public Hearing on Transit Service Improvement

NOTICE IS HEREBY GIVEN that the Clallam Transit System will hold a public hearing to receive public input and comments on a proposed service improvement during the regular meeting of the transit governing Board on Monday, February 22, 2016. The public meeting will begin at 1:00 p.m. at the Clallam Transit System, 830 West Lauridsen Boulevard, Port Angeles, Washington. The public is encouraged to attend the public meeting and hearing and provide testimony. Written comment is also being taken and will be considered as public testimony for the public hearing. All written testimony is due by February 12. The Board will consider taking action on the proposed service improvement following the public hearing.

This service change improvement is to add an 11:30 a.m. trip leaving the Port Angeles Gateway Transit Center on Route No. 30-Highway 101 Commuter service. This route has 30-minute service, except between the hours of 9:00 a.m. and 12:00 noon when the route has hourly service. Adding the trip at 11:30 a.m. will reduce crowding on the 11:00 a.m. and 12:00 noon trips, foster additional ridership, and improve on-time performance. The cost of this additional service is in the 2016 approved budget.

The proposed effective date is March 20, 2016.

Copies of information detailing the proposed service improvement will be available prior to the public meeting and hearing at the Clallam Transit System or phone 452-1315 or 1/800-858-3747, or on the system's website at www.clallamtransit.com.

Americans with Disabilities Act (ADA) accommodations provided upon request. Please contact Clallam Transit at 830 West Lauridsen Boulevard, Port Angeles, or phone 452-1315 by February 12. The public hearing site is accessible to the physically disabled.

Foreign language interpreters, interpreters for people with hearing impairments, and taped information for people with visual impairments may be provided if requested with advance notice.

Clallam Transit System complies with all federal requirements under Title VI which prohibits discrimination on the basis of race, color, and national origin.
